

BCMCS PTO Presents

A Night at The Museum

At The Academy of Natural Sciences of Drexel University

Family and friends are invited to join us for an exciting overnight trip to The Academy of Natural Sciences!

This exclusive event is for BCMCS students, friends and family only! The museum is ours for the whole night!

Experience the Academy's towering dinosaurs, including a T.Rex, after dark! Enjoy close encounters with free-flying butterflies, dig for dinosaur bones, and come face-to-face with the animals in our dioramas. Go on a flashlight scavenger hunt, do hands-on experiments, and even inspect some not-so-creepy crawlies after dark. You'll also have free time to explore every corner of the Academy's famous exhibits, and then you can sit back and relax as we bring you a fascinating live animal show.

When it's finally time for bed, you can choose to settle down next to lions, tigers or dinosaurs!
