

## Mad Science After School Program

### Bucks County Montessori Charter School

#### Funky Forces

Eliminate the mystery in chemistry and the forces that make our world work! Learn all of the secrets behind famous magic tricks, experience the forces through fun experiments, build lots of cool devices and test them out! In this session, children will also build loop-de-loop flying stunt planes, use a vortex generator to create air pockets with a punch, experiment with gravity, create their own crystal gardens, and make Silly Putty!

#### Weekly Sessions

Grade	Day	Time	Start Date	End Date
K-6	Tuesdays	3:15PM - 4:15PM	2/10/26	3/17/26

**Cost per child \$140.00. Includes all materials and a fun take-home project after every class.**

**Register by February 2!**
