

Mad Science After School Program

Bucks County Montessori Charter School

NASA Academy of Future Explorers

Mad Science and NASA have teamed up to bring you this exciting program! Explore the sun, moon, stars and planets. Learn what it's like to live in space and work with laser technology that has been developed for space exploration. Investigate the forces of flight by building your own rocket! Weather permitting, our session will end with an actual rocket launch!

Weekly Sessions

Cost per child \$143.00. Includes all materials and a fun take-home project after every class.

Register by October 12!
